Kapitel 3: Brittanian Empire

Suzaku

Clinging to my light
I strike against darkness
knowing my tainted light
I walk down a path of light
Ignoring the Darkness ahead
Ignoring the Darkness below

Euphemia

Untainted light
approaching Darkness
without fear
pulling tainted light
into the sun
healing it
loving it
without demands
except for love

Cornelia

No mercy
to no one
but one
light shining bright
next to me
I protect it
forever

Jeremia

Desperate
My life in pieces
without hope for repair
I reach for every grasp
while striking this Darkness
never giving up
but never winning either

Lloyd
