## To be, or not to be, that is the question

Von Kyashi

### Kapitel 7: Night & Day

#### Gedicht 7: Night & Day

I don't know what I'm doing  
May be it's the time to let me go  
I think too much what you sad  
That our love will never die

Go away  
And don't forget all dreams that we had  
But someday you will come and turning back  
My heart will break just for one reason now  
If you gonna tell me it's over for me

Night & day I feel empty and lonely  
You get me out of this  
Give me one kiss  
Night & day I am living so sadly  
I stand on my kisses  
Give me one please

You had so many reasons  
To go way you couldn't do  
I will always forgive you  
The step you did but it's o.k.

Go away  
And don't forget all dreams that we had  
But someday you will come and turning back  
My heart will break just for one reason now  
If you gonna tell me it's over for me

Night & day I feel empty and lonely  
You get me out of this

Give me one kiss  
Night & day I am living so sadly  
I stand on my kisses  
Give me one please
