## Kapitel 1: Why?

Why you abused this little girl?

I was innocent,for that it was not my fault.

Where's your motherly love?

You steel my air to breath.

One time yo will pay for the pain you did to me!

You pulled me up in the darkness,where I have to die.

But why?

WHY?

## Kapitel 2: Thirst of revenge

So,you're in trouble.  
All people are in trouble.  
I will kill you!  
I will creep off of my dark hole under the earth.  
And now I wanna revenge!

## **Kapitel 3: I will follow you...**

I had to hide away.  
Nobody understood me.  
Nobody.  
But be sure,  
I will follow you...

## **Kapitel 4: ...and your soul won't be free**

...I will follow you!  
You,and all the others!  
I hate you!  
I will kill you!  
And...  
Before you die...  
You will see the RING...
