Das Gedicht ist an mein liebes Sarahleinchen gewidmet ^^

Dragon

*Great and mighty,
legendary, magic,
fearing and fantastic
dragon.*

*Big wings leathery,
hot breath of fire,
scales hard like rubin,
that's what the gods gave to you.*

*Great dragon,
you're my guardian,
you save me from the foes –
you've been there,
since the beginn of my live –
my guardian.*
