

Daydreams - Tagträume

Meine Gedichtesammlung

Von Alaiya

3 words

3 words

*There was something
I wanted to say you at all
But it's not important anymore
Since the last tears fall*

*Some words were there
I wanted to say to you
But life isn't always fair
Now I miss the clue^*

*Just one time
I wanted to say
Face to face with you
But in the end I didn't get the change
Although it's still true
„I like you“*
